

CertainTeed
Fiber Cement

Siding Collection

CertainTeed brings fiber cement siding that you can choose with confidence, install with pride and experience in comfort.

We create beauty, harmony and innovation in your world with the rich colors and stunning textures of CertainTeed Fiber Cement siding.

Our Fiber Cement relies on environmentally sustainable principles to design technologically advanced, earth-friendly siding that looks as good as it performs.

Each and every sheet and board is engineered for decades of superior protection, wear and durability, and is backed with a century-long tradition of excellence and customer satisfaction.

When we say CertainTeed, we mean quality made certain, satisfaction guaranteed.

The sound choice for you and the environment.

CertainTeed is committed to bringing sustainable materials and manufacturing processes to our fiber cement technology, sourcing and manufacturing.

1 **Contains**
50%
Recycled Content

CertainTeed WeatherBoards™ Fiber Cement contains 50% recycled material which contributes directly to LEED and NAHB project certification in the Materials and Resources and Resource Efficiency categories.

2 **Reduces Landfill Waste**

By incorporating fly ash into its Fiber Cement formula, CertainTeed recycles this by-product from electric generation at coal-fired facilities, diverting nearly 100,000 tons from landfills each year.

3 **Forest Conservation**

Most of CertainTeed's wood fiber pulp comes from sustainably managed forests.

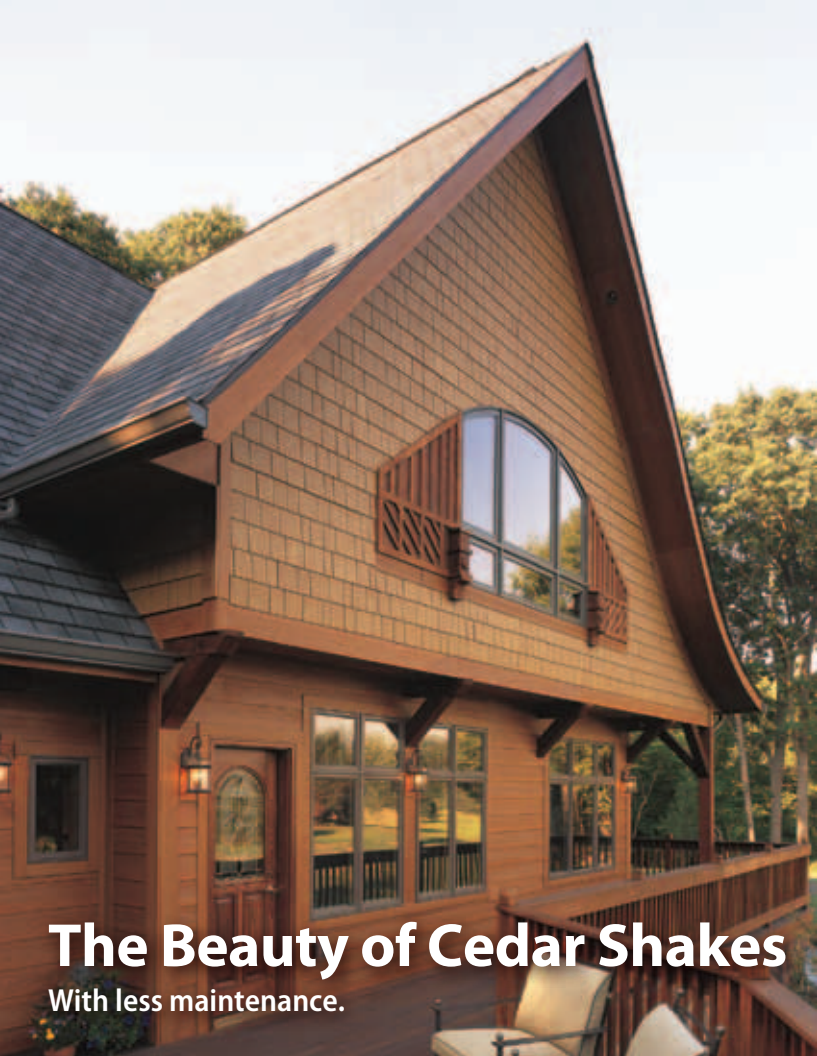

4 **Raw Materials Close to Home**

CertainTeed sources as many of our raw materials as possible from within 500 miles of our plants, reducing the impact of transportation and related greenhouse gases.

5 **Water Conservation**

CertainTeed's manufacturing facilities recycle the water used in our plants, saving more than 2 billion gallons per year.

The Beauty of Cedar Shakes

With less maintenance.

Shown: WeatherBoards™ Random Square Straight Edge Shapes with Maple Premium Stain.

The Look of Painted Wood

With a wide choice of vivid colors and traditional tones.

Shown: WeatherBoards™ Cedar Lap Siding with CertainTeed ColorMax® Autumn Red.

CertainTeed *WeatherBoards*™ Fiber Cement:

The appearance you want. The performance you need.

From its authentic textures and earth-friendly formulation to its proven safety and long-lasting durability, CertainTeed WeatherBoards is the preferred choice for true peace of mind.

Exceptional Curb Appeal

Bring depth and authenticity to any style of home or building.

- Realistic textures from deep, authentic wood grains to ultra smooth finishes
- 16 designer colors from the CertainTeed ColorMax® Finishing System for the look of painted wood
- 6 premium stains for the look of natural wood

Environmentally Friendly

Expand your commitment to sustainability with WeatherBoards siding.

- Patented, proprietary formula
- 50% recycled content
- Manufactured with a process that conserves energy and water

Safety

Feel secure with a product that is naturally non-combustible.

- Non-combustible so it will not ignite
- Class A (1) Flame Spread Rating

Superior Durability

Protect your home or building from the elements.

- Impervious to termites and other wood boring insects
- Will not warp or rot
- Stands up to freeze/thaw cycles
- Resistant to negative effects of salt spray and UV rays
- Resists damage caused by hail, every day bumps and harmful impacts

Peace of Mind

Know the assurance of being backed by CertainTeed, a company with more than 100 years of experience.

- *Product*: 50-year limited transferable product warranty; 2-year SureStart™ warranty for labor*
- *ColorMax*®: 15-year limited paint warranty; 2-year SureStart™ warranty for labor*

Our Fiber Cement may be **Green,**

Long-lasting finish. With CertainTeed factory-applied finishes, you can relax and be assured a long-lasting finish.

The earth-friendly way to go. WeatherBoards™ will help you with your commitment to build “green”—and can help you earn points toward achieving certification in LEED or NAHB Green Building Standards.

CertainTeed ColorMax® Finishing System

Sixteen perfect colors and one ideal vision: A beautiful new home.

CertainTeed’s ColorMax Finishing System fills the spectrum of design possibilities with vivid shades and deep, rich tones.

We Paint It So You Don’t Have To.

CertainTeed WeatherBoards™ Fiber Cement siding is so strong and durable with ColorMax finish that resists fading, everyday bumps and harmful impacts.

We offer a stocking program of prefinished fiber cement in a variety of lap siding, decorative shapes and soffit to match virtually any design style.*

16 Designer Colors

- Color is applied over our proprietary FiberTect® sealant/primer, engineered to seal against moisture
- 15-year limited paint warranty†

Patented protective plastic cover ensures Cedar Lap siding remains scratch-free

through shipping and installation (not available in all areas.)

* Check with local supplier for CertainTeed ColorMax® finished product availability. Minimum order requirements and lead times may apply to non-stock items.

† See actual warranty for details and conditions.

Traditional, sophisticated or bold. Whatever your idea of the ideal home, we have the color that will match your style. *Shown: WeatherBoards™ Smooth Lap Siding with CertainTeed ColorMax® Coastal Blue.*

For commercial and multi-family buildings, too. For new construction, replacement, or restoration, CertainTeed ColorMax® Finishing System gives you a wide range of colors and styles to create a distinctive look.

but our choices are even more **Colorful.**

The Beauty of Wood...

Inspired by nature. A look that says “wood” from the curb or up close.

Give yourself a break. Reduce your maintenance time and costs.

CertainTeed Premium Stains

Express yourself.

No matter how you see it, CertainTeed WeatherBoards™ can make it happen.

CertainTeed WeatherBoards™ offer incredible versatility and a beautiful array of choices. Select a factory-applied stain for lasting curb appeal.

CertainTeed WeatherBoards Fiber Cement Siding enhances your home with great looks, long-lasting durability, and an authentic wood grain that is the finest in the industry.

6 Premium Stains*

- The 100% acrylic latex coating protects the finish against the elements—even the sun won't cause it to crack or flake
- 12-year limited coating warranty†

So if you want the beauty of wood, choose CertainTeed WeatherBoards with Premium Stains.

* Minimum order requirements and lead times may apply to non-stock items.
